MEMORANDUM FOR:

SUBJECT:

Clearance Request for NSA Personnel

REFERENCE:

[REDACTED]

TCS-1070-57

1. Your request in the referenced memorandum is approved with the understanding of the proviso set forth in your paragraph 3.

2. Special attention is called to your request for three Transfer Point Chiefs and three Alternate Transfer Point Chiefs. It is the view of the TSO/CIA, in which I concur, that some provision must be made for the physical location of the Transfer Point Chiefs separate from quarters which are handling other non-TALENT materials. It is our belief that the latter circumstance would provide a situation too easily leading to misplacement and confusion with other materials.

3. I mention the immediate foregoing to avoid a possible misunderstanding though I am quite conscious of your very last sentence which indicates that your internal SOP will be in keeping with that established in the TALENT Control Manual.
